

# Hookah Maintenance

## DISASSEMBLING YOUR HOOKAH

1

Please remove the Ceramic Bowl and Hookah Tray from the top portion of your Hookah. Be sure to remove the Bowl Grommet from the shaft as well.

2

Next, remove the Hookah Hose from the shaft by pulling out the Hose in a clockwise motion. Be sure to remove the Hose Grommet from the shaft as well.

3

Now with one hand on the vase and the other on the shaft, separate them by pulling up on the shaft in a clockwise motion. Be sure to remove the Vase Grommet from the shaft as well. Once the shaft is removed from the vase, it is now time to clean and maintain your Hookah.
